### *Regarding the provision of humanitarian aid*

On behalf of the Lviv City Council and myself let me express my respect to you and address the following.

Since February 22, 2022 the Armed Forces of Ukraine are courageously defending the territorial integrity of our state and repelling Russian troops. Unfortunately, in this difficult struggle, Ukrainian military and civilians are getting injured, paying their own blood to protect the highest human value – the right to life not only for Ukrainians but also for every European.

The entire civilized world has united behind Ukraine, helping to fight the aggressor and providing humanitarian aid to internally displaced persons. In the new life realities, Lviv has become the center of citizens from different regions of Ukraine. We are trying to supply them with any needed provision. In this regard, I am kindly request you to provide humanitarian aid, medicines and other essential goods community according to the list:

- helmets
- unloading vests
- first aid kits
- body armor
- flashlights
- power banks

The received assistance will be used to protect the civilian population. Contact person is Mrs. Tetyana Khabibrakhmanova, Head of External Relations and Promotion Office in Lviv City Council, tel: + 38 063 243 65 08.

We would be very grateful for your support in the times of the fight for our freedoms and lives.

With respect  
Mayor of Lviv

Andriy SADOVYY
